

## What's New?

### RezStream partners with InnLink to offer an unbeatable combination!

After such a positive response to our fabulous end of summer sale, RezStream is continuing the opportunity to purchase three great RezStream products at the incredibly low price of only \$299! If you have been thinking about utilizing online exposure for increased property revenue, now is the perfect time to take advantage of RezStream's Triple Play Offer!

Increase online reservations and **SAVE BIG in October** with the RezStream Booking Engine, Global Distribution System, and vLINK voice reservation services. All three products can be purchased together for the unbeatable price of \$299! Here's what you'll receive:

- **RezStream Online Booking Engine\*** (individually priced at \$299)  
State of the art booking engine software that allows you to automatically receive online reservations from your website and link to the Global Distribution System. Increase occupancy and revenue 24 hours a day!
- **Global Distribution System (GDS) Module\*** (individually priced at \$750)  
Provides maximum online marketing exposure to increase website reservations through popular travel portals such as Expedia, Travelocity, and Orbitz as well as over 600,000 travel agents worldwide.
- **vLINK Voice Reservations Module\*** (individually priced at \$300)  
Take advantage of professional reservation call center services to ensure your guest's experience begins with a positive interaction. Turn this feature on or off as you wish and only pay for the actual reservations booked.

*\*Commission fees apply*

Add up the individual prices to realize over \$1000 in savings with this fabulous offering in October from RezStream. If you haven't benefited from the ever-increasing trend of customers using the Internet to make online reservations, now is the perfect time to act.

Call **866-360-8210** to place your order today or visit [www.rezstream/tripleplay](http://www.rezstream/tripleplay).

**Hurry! RezStream's Triple Play Offer ends 10/31/07.**
